**TAUNTON FAMILY CENTER—DIAPERS**
Our Shalom Kids preschool family education class, throughout the school year, is collecting diapers for the Taunton Family Center.

**TAUNTON FAMILY CENTER—SOCKS**
Our lower grades religious school class, throughout the school year, is collecting new packages of men’s and women’s socks for the Matthew Mission to the Homeless at First Parish Church-Taunton.

**TAUNTON FAMILY CENTER—HOUSEWARES**
Our upper grades religious school class, throughout the school year, is collecting almost new housewares/kitchenware for the Taunton Family Center residents who leave the center for permanent housing.

**TAUNTON FAMILY CENTER—CLOTHING**
At the Thursday, December 12, “whole school mitzvah event” a collection of children’s clothing, shoes, underwear and outerwear will be organized and packed for delivery the middle of December. Sisterhood members are encouraged to bring their children’s clothing donations to the Sisterhood meeting held that evening.

**Samaritan House—Food**
Our TELEM Teens, throughout the school year, are collecting packaged and canned food for Samaritan House—Taunton’s Homeless Shelter.

**TAUNTON FAMILY CENTER AND CONWAY HOUSE—SCHOOL SUPPLIES**
All our teens, especially our classroom assistants/madrikhim, throughout the school year, are collecting school supplies for both Taunton Family Center and Conway House.

**Shoes—Three Ways**
Why “three ways”? Because your shoe contributions head in three different directions.
- Shoes suitable for “dress for success” use will be donated to St. Vincent de Paul.
- Shoes suitable for homeless men and women to wear for outdoor walking will be donated to Matthew Mission at First Parish Church-Taunton.
- Shoes suitable for all other purposes will be shipped to a central location for distribution around the country/world—for which we receive in return about 50 cents/pound (currently).

Guidelines for donations: NO slippers, flip-flops, roller blades, heavy “fireman style” boots, ice skates or ski boots. Please only bring winter boots in fall and winter as these will go to Matthew Mission and they don’t have room to store them over the summer.

**St. Vincent de Paul—Clothing**
Seasonal adult clothing, outerwear and warm accessories, new or clean, gently-used, in good repair and ready to wear. Please bring clothes on hangers.

**INK AND TONER CARTRIDGES**
Your donations get recycled through a program at Staples which rewards us with cash that we then use for purchasing religious school supplies.

**Make a Difference!**

**Thank you for your ongoing support**

**Please bring all donations listed on this page to the Jewish Community House during office or school hours**
